previously filed with the United States Patent and Trademark Office by virtue of an oversight.

The instant patent application was revived via the grant of a Petition to Revive issued in a Decision on Petition, dated May 26, 2005, which placed the application in condition for issuance.

Withdrawal of a patent application for issuance, after payment of the Issue Fee, is appropriate for consideration of a Request for Continued Examination as specified by 37 C.F.R. §1.313(c)(2) and, accordingly, this Petition should be granted as soon as possible.

The requisite Petition fee of \$130.00, pursuant to 37 C.F.R. §1.17(h), is enclosed as part of the accompanying check in the amount of \$525.00, which includes the filing fee of \$395.00 (small entity) for the Request for Continued Examination.

Such favorable action is respectfully requested and earnestly solicited.

Respectfully submitted,

HARRY L. PLATT ET AL.
